

Meeting minutes for Sept 1, 2020 Tri County Beekeepers

1. Talked about honey harvest- how everybody was doing and how much honey was being harvested.
2. Talked about what to do after honey harvest was done. Get your mite treatment done and start feeding 2 parts sugar to 1 part water.
3. When do I winterize? Not until November sometime. Daytime temperatures need to be cool.
4. Talked about bringing in honey samples for October meeting to do moisture checks and possibly taste samples.
5. Talked about November is election month.
6. No further questions meeting adjourned .

Respectfully submitted,

Cindy Rusch
